Leadership Communication and Storytelling

Ref.: 1013_673 **Date:** 21 - 25 Dec 2026 **Location:** Kuala Lumpur **Fees:** 5200 **GBP**

Leadership Communication and Storytelling is a 5-day course delivered by Mars Training Centre in London, Paris, Dubai, Rome, and New York — designed for senior leaders who want to communicate with the clarity, structure, and humanity their roles demand.

At senior level, most of what you achieve happens through communication. The strategy you set, the change you lead, the talent you retain, the trust you build — all of it depends on how well you speak, write, and tell stories. Yet senior-leader communication is rarely taught well. Most leaders default to dense, defensive prose or to inspirational generalities that say very little.

Across five days, you will examine the structures behind great senior-leader communication, practise high-stakes scenarios from board pitches to all-hands talks, and develop a personal communication style that is both clear and authentically yours.

What You Will Learn

By the end of this programme, you will be able to:

- Structure complex senior-leader communication using proven frameworks such as the Pyramid Principle and narrative arcs.
- Tell stories that connect strategy to human experience.
- Write briefer, sharper, more decision-useful documents.
- Speak with authority in boardrooms, all-hands meetings, and difficult one-to-ones.
- Adapt your communication style to different audiences without losing your voice.
- Handle tough questions, pushback, and hostile audiences.
- Coach the senior leaders around you to communicate better.
- Build a personal communication-improvement plan for the 90 days after the course.

How You Will Benefit

You will leave with a stronger communication toolkit and a clearer personal style, and a Mars Certificate of Completion.

Your organisation will gain a senior leader who can articulate strategy clearly across every level of the organisation.
